

About Us

In the midst of the natural beauty of the 1000 Islands, tranquility permeates your being. Soothing and invigorating, our innately calm environment is the perfect setting for rejuvenation of the body and soul.

To unwind after a round of golf at Smuggler's Glen or subsequent to your journey to The Glen House, or simply after a harried day at work, a variety of spa treatments promise to revitalize and soothe the senses.

Everyone is welcome to enjoy the ambiance of the serene retreat, providing the pampering and care that you deserve.
